TSCA §5(a)(2) — SNUR	No Significant New Use Rule applies
TSCA §6 — risk evaluation	Not designated a High-Priority Substance
TSCA §12(b) — export notification	No export notification required
SARA 311/312	No hazard categories
SARA 313	Not listed
CERCLA	Not listed; no reportable quantity
California Proposition 65	Not listed

4 • Import Certification

For shipments imported into the United States, Longyan Vista Chemical Co., Ltd. certifies that the chemical substances in these shipments comply with all applicable rules and orders under TSCA, and that the company is not offering a chemical substance for entry in violation of TSCA or any applicable rule or order thereunder — the positive certification under 19 CFR 12.121(a)(2)(i).

5 • Scope and Limitations

This declaration covers the identity and inventory status of the substance supplied. It does not address any other jurisdiction, and does not constitute a statement of registration status under any other chemical inventory or regulatory scheme. Status is verified against the EPA TSCA Inventory as published at the date of issue; users should confirm current status for their own import operations.
